

# SAFE CONDIMENT SERVING GUIDE

## SAFETY IS PRIORITY ONE

### SANITIZING

products provided to patrons is  
a top concern for them  
feeling safe in restaurants\*

### OVER 80%

of consumers would find it  
acceptable if restaurants offered  
single serve condiments only\*

### 73%

of customers would accept  
limited staff to promote social  
distancing\*

# Your customers want safe meals.

In fact, to them safety is now more important than affordability, sustainability and even taste.\*
